POSTSCRIPT

'Normal' and Distorted Direction

The dramatic increase in lynchings in India is examined from the perspective of "pathological normalcy" that points to deeper causes in society rather than immediate ones. [page 12](#)

Extreme Weather Events in India

Preparing for uncertain disasters has to move beyond improving forecasting accuracy and blaming the Indian Meteorological Department. [page 16](#)

Dirt as a Cultural Category

An exploration of the relationship between caste and stigmatised labour using the example of the Halalkhores' work in colonial Bombay's municipal practices [page 79](#)

Weather Adaptation Strategies

A study of the Rainfall Insurance Scheme for Coffee shows that the Weather Based Crop Insurance Scheme does not reflect farmers' concerns and different comprehensions of weather. [page 95](#)

Death, Be Not Proud

Vineet Kohli (1979–2018) was one of the finest heterodox economists in India, a contributor to the pages of this journal and a popular teacher who passed away at the age of 38. [page 24](#)
