8 | PHOTOGRAPHIK

Light and Lethal

Light battle tank Zorawar, developed by DRDO-L&T, is likely to be inducted into the Indian Army by 2027

10 | POINT

Fiscal Foresight

Surging tax revenues and a controlled fiscal deficit allow the government to focus on development objectives

14 | THE BUZZ

Blue Chaos

The CrowdStrike outage has revealed the chinks in the world's tech armour. Where do we go from here?

16 | THE BUZZ

Charging Ahead

The Ola Electric IPO will have a positive impact on all entities of its parent ANI Technologies, stimulating their growth

78 | TECH

The 10-minute Sprint

The GMV of quick commerce has risen from \$0.10 billion in FY20 to \$3.3 billion in FY24. But the race is just hotting up

LEAD STORY 42 |

Prudent Populism

Taking cues from results of the General Elections, the Union Budget has tried to include something for everyone. There's also a jobs push

THE BT INTERVIEW 52 |

"We have kept our word on fiscal consolidation"

Finance Minister Nirmala Sitharaman discusses the Union Budget and the thinking behind certain proposals

INFRA 64 |

Budget Boost

The Union Budget has focussed on energy and rural infra, with Bihar and Andhra Pradesh getting a chunk of the pie in highways, irrigation, and aviation

COLUMN 58 |

A Progressive, Inclusive Plan

The Budget is filled with a number of proposals that hold great potential to boost long-term growth, writes Shashwat Goenka of RPSG Group

COLUMN 60 |

Sustainable, Inclusive Growth

Anil Rai Gupta of Havells India writes that in line with the vision of Viksit Bharat, the Union Budget addresses complex challenges

COLUMN 68 |

Medium-term Growth in Focus

The Budget has provided a solid foundation for robust medium-term growth, writes EY India's D.K. Srivastava

COLUMN 70 |

A 10-lane Expressway for Viksit Bharat

Senior corporate lawyer H.P. Ranina believes the Budget lays a solid foundation for the next few years

BT EVENT 100 |

Road Map For 2047

At the India Today-Business Today Budget Round Table 2024, industry leaders and policymakers dissected the Budget

86 |

INFRA

Full Throttle

Vande Bharat has travelled a long way—from being almost scrapped in 2017, to becoming the poster boy of Indian Railways' modernisation

94 |

THE GOOD LIFE: TRENDS

Tea-Tails

Tea-infused cocktails provide a twist on classic mixology

98 |

SPECIAL ARTICLES

- Beyond the Consumer Food Price Index: Measuring the Cost of a Healthy Diet in India
- Coal Mining in Odisha: A Micro-level Analysis of Impact on Human Health
- Factor Content of India's Exports: A Deconstruct

CURRENT STATISTICS**Cost of a Healthy Diet**

As CoHD and Consumer Food Price Index are correlated but measure different things, the rate of change in the former often outstrips that of the latter, which is thus not a good proxy for CoHD. [page 48](#)

Normative Lens on Elections

The procedural aspects of elections cannot be separated from normative ideals and constitutional principles, so that the requirement of freedom and fairness is understood in a substantive and meaningful way. [page 10](#)

Parliamentary Reforms

The executive has managed to usurp the scrutiny power of the department-related standing committees by either ignoring further improvements or reducing them to another structural arrangement of Parliament. [page 19](#)

Paytm and Regulation of Fintech

To avoid operational failures, governance issues and persistent non-compliances as observed in the Paytm case, there is an urgent need to establish a strong risk and compliance culture in fintech firms. [page 31](#)

Factor Composition of Exports

While India's exports rapidly increased in size in the first decade of the 21st century, they were accompanied by a fall in the labour content of the exports. [page 63](#)

SPECIAL ARTICLES

- Asset Reconstruction Companies and Indian Banking
- A Short History of the Cooperative Movement in Northern Malabar, Kerala
- Inequalities in Computer Literacy in India: Do Caste and Gender Matter?

CURRENT STATISTICS**POSTSCRIPT****Politics of Othering in Manipur**

The renewed attempt at reservation of forests has been selective in its target, thereby engulfing the state once again into long-drawn ethnic politics, leading to further marginalisation of the hill communities. [page 36](#)

Inequalities in Computer Literacy

To prevent the exacerbation of new forms of digital inequality in the country, community-level measures requisite for computer literacy are needed to improve the social capital of the marginalised groups. [page 53](#)

C T Kurien (1931–2024)

Throughout his illustrious career as a teacher, researcher, institution-builder, and public intellectual, Kurien remained steadfastly focused on the twin problems bedeviling India—poverty and inequality. [page 29](#)

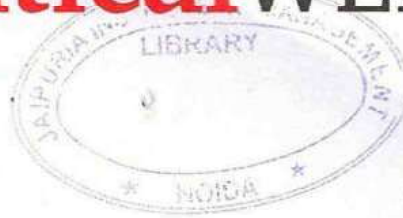

Youth Presence in Parliament

Enhancing youth representation in the Indian Parliament requires a comprehensive approach that addresses structural barriers, empowers marginalised groups, and promotes a culture of inclusivity and respect for diverse voices. [page 13](#)

Critical Pedagogy

It becomes insistent upon the teachers to not let neo-liberal economics of education kill the learning potential of developing meaningful and critical awareness regarding one's self and society. [page 63](#)

- Labour Regulations and Job Creation: Evidence from India's Organised Manufacturing

SPECIAL ARTICLES

- Trajectories of Crime against Women in Contemporary India
- A Case Study of Electric Two-wheelers in Delhi
- India's Strategic Choices: From Non-alignment to Strategic Alignment

CURRENT STATISTICS**75th Anniversary of NATO**

Going forward, NATO's strategy involves stepping up escalation and expansion to construct a global grid-like alliance structure that integrates with the transatlantic alliance and serves as a tool for the US geopolitical ambitions. [page 10](#)

Street Vendors' Vulnerabilities

Street vending is typically not a voluntary choice but rather a consequence of a range of limitations, leading individuals to enter this occupation as a means of survival rather than a preferred livelihood option. [page 13](#)

The Legacy of R B More

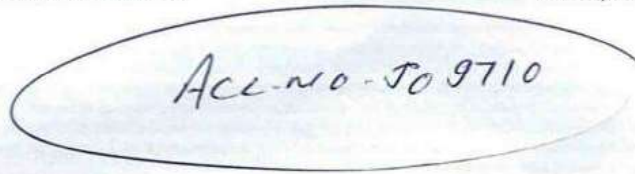

Being able to build bridges between anti-caste and communist movements, More demanded a critical rethinking of the means to achieve the categorical imperative that both Marxists and Ambedkarites desired. [page 25](#)

Labour Laws and Employment

Significant gains in job creation in organised manufacturing are likely to occur from the implementation of the new labour codes. [page 33](#)

India's Strategic Multi-alignment

While India has room to exercise strategic choices, there are more negative outcomes if a choice were to be made to align with any one of the major powers. [page 138](#)

SPECIAL ARTICLES

- Exploring Non-Brahmin Contestations at Sabarimala
- Catastrophic Decline in Women's Ownership of Firms in India, 2014 and 2022
- Water Property Rights in India

CURRENT STATISTICS**POSTSCRIPT****Non-Brahminical Contestations**

Counter-mobilisations against the conservative "Save Sabarimala" campaign, which highlighted the interlinkages of the caste–gender axis, represent a widespread expression of yearnings for social justice and outrage against Brahminism. [page 44](#)

Sri Lankan Debt Agreement

The relief that Sri Lanka gets is less than 13% and is unlikely to be adequate for achieving debt sustainability, even with optimistic projections of economic performance. [page 10](#)

Muchkund Dubey (1933–2024)

Known for his mastery of multilateral diplomacy, Dubey was a critical driver in the efforts of developing countries to articulate their priorities in the Non-aligned Movement and the United Nations. [page 27](#)

Politics of History and Heritage

Contemporary political acts reverberate much beyond the mere act of clothing the Mohenjo-daro girl, for it entails a "political spectacle" that distorts the very fabric of history. [page 19](#)

Unreasonable Limit to Reservations

The Bihar case is perhaps the first of several cases that are likely to question the soundness of the 50% cap as a "rule" on the extent of reservations. [page 13](#)

IN THE ZONE

How JSW scion **Parth Jindal** is building a homegrown Olympics ecosystem, fostering medal winners. And he's only getting started

PG. **20**

AIN'T NO MOUNTAIN HIGH ENOUGH

With his business background and deep passion for sports, JSW scion Parth Jindal is building a homegrown Olympics ecosystem, fostering medal winners. And he's just warming up

INDEPENDENCE DAY SPECIAL

28 • THE PRESSURE AND THE GLORY

India's Olympic medallists since its Independence

42 • TURNING THE TIDE

Murlikant Petkar sustained nine bullet injuries in the 1965 war, and was run over by a car. He was left paraplegic, but went on to become India's first Paralympic gold medallist

46 • NATIONAL YET MULTINATIONAL

L&T began its India sojourn in Independent India to help build the nation. Along the way, employees and shareholders gained from the nuclear reactors, nuclear-powered submarines and satellite systems that it makes

52 • MIXER & GRINDER

Bajaj Electricals remained resilient by sticking to the core values of trust, focus, integrity and quality. It is now undergoing a refreshing reboot

58 • INDIA'S SOLEMATE

The brand lives in Batanagar, breathes in Bataganj, and sits pretty at Bata Chowk... if there is one brand that is as ubiquitous as Tata, it is Bata

62 • STILL GOING STRONG

The SBI's flexibility in restructuring operations and adopting technology makes it relevant for modern India

68 • THE MAGIC SWITCH

How the 146-year-old Crompton has stayed afloat through mergers, demergers, acquisitions and exits

76 • MAKING INDIANS FLY

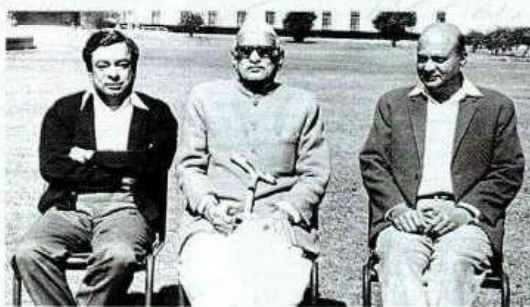

Air India has its loyalists and detractors, but it doesn't take away from the fact that it will grow into one of the world's largest airlines

The India men's hockey team in 1948

AM Naik, former executive chairman, Larsen & Toubro

PG. 80

Vergheese Kurien (left) and HM Dalaya with Tribhuvandas Patel (centre), the founder-chairman of Amul

80 • THE AGELESS FMCG GIANT

How Amul, the world's largest dairy cooperative, became synonymous with 'swadeshi' pride

82 • TESTING TIMES

SK Lal, who moved to Delhi from Lahore, started Dr Lal PathLabs, which is now India's largest diagnostic chain

84 • TALES OF TURNAROUNDS

The Lals have remained a family of maverick pioneers against severe odds, from being the first Indian tractor makers to dominating the premium motorcycle segment

86 • BRITISH ORIGIN, INDIAN ORIGINALS

Exide, India's largest maker of lead acid batteries and power storage solutions, has kept pace with rapidly evolving technology and industry needs

90 • TAILORING ITSELF FOR INDIA

Ups and downs have been a part of HUL's nine-decade India journey. Its adaptability gave it the right to win

92 • FIGHTER MODE

HAL and Mazagon Dock Shipbuilders have delivered some of India's prized aircraft, helicopters, submarines and destroyers

94 • MASTER OF ALL TRADES

From sugar to agro to cycles and financial services, the Murugappa grown has grown from strength to strength since Independence

96 • A FIRM GRIP

Chennai-based MRF's long road from making balloons to fighter aircraft tyres

98 • LEADING INDIA'S SUV RUSH

Tata Motors and Mahindra have given a much-needed boost to India's auto sector

100 • HITTING REFRESH

Wipro, whose founder is equally renowned for his philanthropy as for building a global IT business, is fighting to regain its mojo

FORBESLIFE

REGIONAL GOLIATHS

20 • STATE OF MIND

For a pack of regional satraps, being the 'biggest in a state' is as good as being the 'largest in the country'

28 • COCONUTS, HERITAGE & JEWELLERY

How MP Ahammed built Malabar Gold & Diamonds from a small shop in Kerala into India's largest jewellery business by revenue

34 • OUT OF THE OX

An outbreak of dropsy put question marks on the business of mustard oil in 1998 when Ashish Khandelwal made his entrepreneurial foray. Bail Kolhu is now Uttar Pradesh's biggest brand

38 • PULP (NON) FICTION

When Raghunandan Kamath started Naturals in 1984, he wanted to build a differentiated, premium, artisanal, brand. Forty years later, Naturals is the biggest brand in Maharashtra

44 • MAHA BUZZ

In 2003, Siddharth Shah of Kolhapur spotted an opportunity in mobile retailing across the hinterlands of Maharashtra. Now, SS Mobile is India's fifth-largest mobile retail chain

52 • INSIDE SCOOP

In 1991, MN Jaganath quit his bank job and joined Vadilal. A decade later, he and A Balaraju founded Dairy Day, now the biggest ice cream brand in Karnataka

58 • SPICE ROUTE

How JK Masale, started by 'Jeera King' Dhannalal Jain, has managed to maintain its 67-year-old supremacy in eastern India

PG. **22**

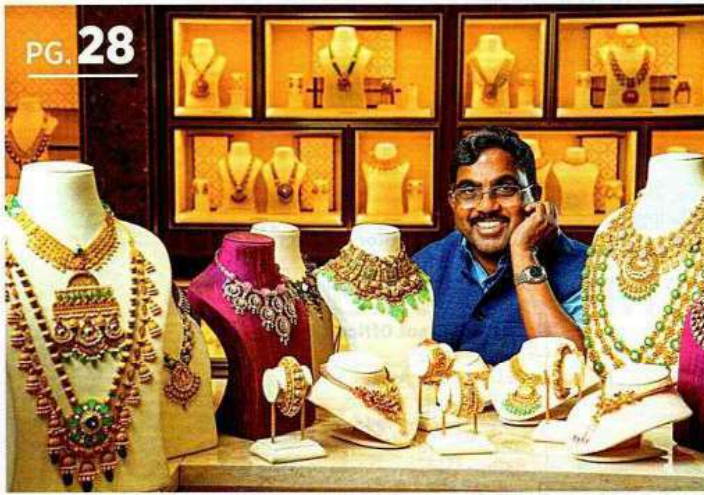

A MOUTHFUL OF SOUTH

Over 17 years after its acquisition by Norwegian company Orkla, MTR has stayed true to its core—a Kannadiga brand rooted in local culture, cuisine and revenue. As it steps into its centenary year, it has spiced up its broader appeal but remains a regional Goliath

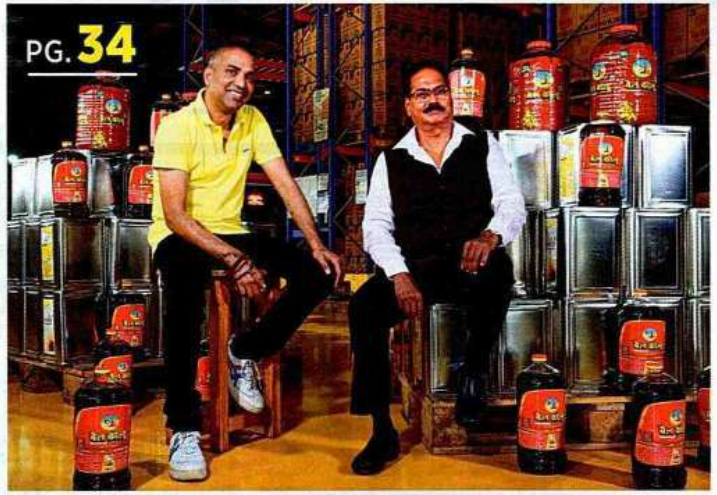

(From left) Sunay Bhasin, CEO, MTR Foods, and Sanjay Sharma, CEO, Orkla India

PG. 28

MP Ahammed, chairman, Malabar Group, says he is in the jewellery business for reasonable growth and profit

PG. 34

(From left) Ashish Khandelwal, MD, and Ghanshyam Khandelwal, chairman of BL Agro, which owns mustard oil brand Bail Kolhu

64 • BEYOND BABY STEPS

Kerala-based Shaju Thomas quit being a journalist to build Popees Baby Care into a ₹100-crore company that sells everything that babies might need

74 • SMALL TOWNS, BIG FLAVOURS

Iconic food joints in Tier II and III cities have been dishing out their specialties for decades. *Forbes India* visits a selection of them

82 • BUILD. SELL. REPEAT

Harish Bijoor writes: Today's Goliath was once a David, and every David aspires to be a Goliath. But can Davids fall in love with being a David?

IN FOCUS

84 • XIAOMI, BUT MAKE IT PREMIUM

The Chinese budget smartphone brand saw its market dominance wither in the last two years. It now plans to claw back with a premium range of products

PG. 52

MN Jaganath (left), co-founder, MD & CEO and A Balaraju, co-founder, director at Dairy Day

105 • PIZZA, KAPDA & MAKAN

With the next growth phase slated to come from Tier III, IV, and beyond, can Bharat's hunger pangs deliver results for Domino's?

FORBESLIFE

110 • 'I DON'T FEEL NERVOUS BOWLING IN THE DEATH OVERS'

29

SPECIAL REPORT

Overcoming the Hard Problems to Advance AI Practice

30 Auditing Algorithmic Risk

◀ **COVER STORY** How do we know whether algorithmic systems are working as intended? A set of simple frameworks can help even nontechnical organizations check the functioning of their AI tools.

By Cathy O'Neil, Jake Appel, and Sam Tyner-Monroe

38 Avoid ML Failures by Asking the Right Questions

Machine learning solutions can miss the mark when data scientists don't check their assumptions. Adopting a beginner's mindset in any domain can help.

By Dusan Popovic, Shreyas Lakhtakia, Will Landecker, and Melissa Valentine

42 How Generative AI Can Support Advanced Analytics Practice

Large language models can enhance data and analytics work by helping humans prepare data, improve models, and understand results. By Pedro Amorim and João Alves

47 Managing Data Privacy Risk in Advanced Analytics

Cybersecurity techniques that keep personal data safe can limit its use for analytics — but data scientists, data owners, and IT can partner more closely to find middle ground.

By Gregory Vial, Julien Crowe, and Patrick Mesana

REC. No. J09726

RADAR

5 Fast Takes on Fresh Ideas

The long tail of social media influence, three things to know about prompting LLMs, Kevin Nolan of GE Appliances on keeping innovation alive at a legacy company, and more.

FRONTIERS

9 The Hazards of Putting Ethics on Autopilot

Research shows that employees who are steered by digital nudges may lose some ethical competency. That has implications for how we use the new generation of AI assistants. *By Julian Friedland, David B. Balkin, and Kristian Ove R. Myrseth*

11 Why Companies Need to Lobby for Climate Policy

Organizations that want to make real progress on sustainability need to build a business case for climate lobbying. *By Richard Roberts*

14 Tap Employee-Creators to Transform Your Social Media Strategy

Businesses that help employees become social media stars have a cost-effective way to generate enormous brand visibility. *By Aaron Dinin*

18 How AI Skews Our Sense of Responsibility

Research shows how using an AI-augmented system may affect humans' perception of their own agency and responsibility. *By Ryad Titah*

20 To Navigate Conflict, Prioritize Dignity

Four interrelated practices can bolster dignity, leading to more constructive problem-solving and collaboration. *By Merrick Hoben*

22 Nudge Users to Catch Generative AI Errors

Using large language models to generate text can save time but often results in unpredictable errors. Prompting users to review outputs can improve their quality.

By Renée Richardson Gosline, Yunhao Zhang, Haiwen Li, Paul Daugherty, Arnab D. Chakraborty, Philippe Roussiere, and Patrick Connolly

25 Why Territorial Managers Stifle Innovation — and What to Do About It

Managers who feel insecure about their status tend not to encourage novel ideas from their employees. Fostering their identification with the organization can change this behavior. *By Vijaya Venkataramani, Rellie Derfler-Rozin, Xin Liu, and Jih-Yu Mao*

FEATURES

52 Acing Value-Based Sales

To get the best returns on innovative products, collaborate with customers to define and share the commercial opportunity. *By Marco Bertini, Oded Koenigsberg, and Todd Snelgrove*

58 Find a Circular Strategy to Fit Your Business Model

Products and services that maximize use and reuse of materials and other resources can be both growth opportunities and sustainability measures. *By Samsurin Welch and Khaled Soufani*

64 How to Come Back Stronger From Organizational Trauma

Traumatic events are destabilizing. In their aftermath, leaders can help individuals and teams recover and grow. *By Payal Sharma*

69 Engineer Your Own Luck

Companies that modularize and externalize their best capabilities are in a strong position to seize unexpected opportunities. *By Mark J. Greeven, Howard Yu, and Jialu Shan*

73 Serve More Customers With Inclusive Product Design

Use these questions to empower teams to design products for more diverse populations. *By Vanessa M. Patrick and Jeffrey D. Shulman*

76 The CEO's Cyber Resilience Playbook

What do CEOs who led through a serious cyberattack regret? Use this guide to learn from their experiences and take smarter actions before, during, and after an attack. *By Manuel Hepfer, Rashmy Chatterjee, and Michael Smets*

COLUMNS

80 Return-to-Office Mandates: How to Lose Your Best Performers

Your organization's highest-performing employees want executives to focus on outcomes and accountability, not office badge swipes. *By Brian Elliott*

83 A Tale of Two Hot Sauces: Spicing Up Diversification

The contrasting paths of two hot sauce manufacturers show that managing exposure on multiple fronts is essential. *By Achal Bassamboo and James G. Conley*

Family feuds get ugly, public spats draw prying eyes and headlines get nasty. At the heart of hostilities is sentiment. Hurt hearts can end empires. Here is a guide on how to keep the family business together

52

WHAT TO MAKE OF BUDGET 2024

Balance is the buzzword. The Union Budget 2024 has shown that minor electoral setbacks cannot baffle the Modi regime. Yet lessons have been learnt. The years-long outcry for jobs has finally led to some action. The aspiring and disproportionately influential middle class, however, is not entirely happy

Summer reading
from 1843 magazine

JULY 27TH-AUGUST 9TH 2024

Acc no 50 96 98

A close-up portrait of Kamala Harris, looking slightly upwards and to the left. The background is a vibrant green with a textured, painterly appearance. The lighting is dramatic, highlighting her features.

**CAN
SHE
WIN?**

Acc. No. - 90 98.98

Contents *this week* Politics

On the cover

Joe Biden's vice-president has an extraordinary opportunity. But she also has a mountain to climb: leader, *page 9*. Which Kamala Harris is now at the top of the Democratic ticket? *Page 27*, and Lexington, *page 34*

Game changer Technology is transforming how sport is broadcast—and watched: leader, *page 10* and briefing, *page 16*. Paris could influence how cities host the Olympics in future, *page 51*

→ **Next week's edition:** We will publish a full edition as usual next week, on August 1st, but it will not be printed. Subscribers can access all of the daily and weekly content on our app and economist.com
