102 Arming Up

The \$70-billion stay-the-course Defence Budget further drives the Aatmanirbhar Bharat agenda. The whopping hike for naval build-up is the surprise package

90 Power to MSMEs

To beef up the MSMEs sector, the centre has extended the Emergency Credit Line Guarantee Scheme till March 2023

96 Track Supremacy

A disappointed civil aviation sector could only envy the financial support and attention paid to Indian Railways in this budget

106 Tech to the Fore

There is a significant focus in the Budget on putting the startup sector in the driver's seat of India's techintensive future

118 Concrete Plans

Record allocation towards capital expenditure in this Budget is set to galvanise the construction sector including infrastructure

Policy Coordination

An accommodative fiscal policy stance becomes crucial in the forthcoming Union Budget 2022–23, especially when credit-linked economic stimulus packages are partial in its impact on growth recovery. page 18

Regulating Queerphobic Content

A new framework is proposed to address the queerphobic content over social media, as there exists no legislation and the regulation through review committees has often been problematic. page 22

Interstate Border Disputes

An attempt is made to understand the roots of the border dispute between Assam and Mizoram, and the probable mechanisms for the settlement of the dispute are discussed. page 26

COVID-19, Stigma, and Denial

A field study conducted in three districts of Tamil Nadu between the two waves of the pandemic explores the nature of stigma and denial and their consequences for health-seeking behaviour and access to healthcare. page 34

Self-reliance in Export Performance

A systematic analysis of India's export performance, since the late 1980s, is offered along three dimensions—growth, diversification, and upgrading—to understand how well India is prepared to achieve the goal of self-reliance and recommend a well-informed export strategy. page 55 Since 2012 Vol. IX Issue 09

CFOS IN THE Digital Age

They're at the core of strategy and decisionmaking, furiously raising funds, acquiring for growth and taking their companies public. The challenge now is to also manage investor expectations

22 • STRATEGIC PARTNERS

Fearless, ambitious and growth hunters... a new breed of investment bankers, MBA grads and consultants, and mostly non-CAs, is writing a bold playbook for CFOs and finance leaders in the startup world

24 • EYE ON THE FUTURE

From being reactive to proactive and from controller to enabler, Ankur Sharma of boAt reckons CFOs have to do much more than policing

28 • GETTING THE MATHS RIGHT

Anita Kishore of Byju's seamlessly merges finance and strategy to crack the 'build versus buy' puzzle and make every penny count

32 • ROAD LESS TAKEN

For Aneesha Menon, reaching the destination might take longer, but finding a less bumpy and sustainable route is the key

Forbes Contents

36 • IMPACT AT ALL COSTS

Vibhor Gupta of Chalo stayed away from 'cutting' cost and embraced 'opportunity' cost. The results are visible

40 • GUARDIAN OF THE FRESHWORKS GALAXY

Tyler Sloat sees himself as the custodian of the company's raison d'être, as CFO, ensuring it stays the course on the twin objectives of customer relevance and compliance

44 • A PERFECT FIT

For Sweta Gupta of Groww, magic happens when one gives value to the 'right fit' over 'right qualification' for a job

boAt CFO Ankur Sharma believes his job is also to be an enabler

PG. 50

Ramanpreet Sohi is CFO at Honasa Consumer

50 • JACK IS THE NEW MASTER

Ramanpreet Sohi had a handson approach while mastering every aspect of the trade. He wants CFOs to act smart rather than look smart

53 • A BANKER'S DOZEN

How CFO Dhiresh Bansal's rich investment banking background is helping him stay ahead of the game at Meesho

58 • SHARP AS A RAZOR

After 17 years at American Express, Arpit Chug was looking for a new challenge. Then came Razorpay

61 • OPEN HOUSE

At neo-banking platform Open, Deena Jacob is marrying old-school finance with the audacious rules of the startup universe

64 • MEET THE MSD OF FINANCE

From not knowing anything about finance to being the CFO of the most-funded new unicorn last year, Manohar Singh Charan stays ahead of the game

68 • THE ODD ONE OUT

When ZestMoney's Priya Sharma gets baffled by crazy valuations around her, the CFO in her reinforces the odd virtue of running a tight ship

IN FOCUS

72 • NEWER FRONTIERS

Adar Poonawalla is diversifying his father's vaccine empire with investments in companies that have the potential to complement the world's largest vaccine maker

78 • BEYOND OMICRON

With new waves and variants, the focus should be on vaccinations, precautionary doses, testing, genome sequencing, and following Covid-appropriate behaviour

82 • CLOUD COVER

TCS CEO Rajesh Gopinathan is sharpening the IT giant's focus on partnerships with Microsoft, Amazon Web Services and Google to tap an 'unbounded opportunity'

86 • IN THE BOX SEAT

From a pariah to a darling of big enterprises, India's newlyminted unicorn Darwinbox took on the biggies of enterprise software to disrupt the HR tech space

90 • THE PERILS OF 'HORN OK PLEASE'

Reducing noise from traffic is important to ensure road safety in India, which has the highest number of road accident deaths in the world

94 • THE RIGHT BUZZ

GlobalBees is beefing up its portfolio by aggregating D2C digital brands, but with global leader Thrasio entering India, can the homegrown ecommerce roll-up unicorn thrive?

Serum Insitute of India CEO Adar Poonawalla's recent investments include those into an NBFC and a microfinance company
