CURRENT STATISTICS

Delimitation and Its Discontents

The delimitation commission report portends to alter the basic political culture and invoke regional and communal tensions as it is seen as an attempt to disenfranchise the Kashmiris of Jammu and Kashmir. [page 32](#)

Dynamics of Rajbanshi Identity

The movement for tribal status, rediscovering historical roots, is considered paradoxical in the context of the larger sociocultural transitions that the community had witnessed in the past. [page 16](#)

Syrian Christian Family Histories

Mobilisation, conception, and social positioning of their histories by the Syrian Christians are explored, highlighting some of their ideological uses for the family and community. [page 57](#)

Forest Rights and Bureaucracy

The treatment meted out to the gram sabhas with community forest resource rights is a manifestation of the entrenched belief that forest dwellers are incapable of and cannot be trusted with managing their own affairs. [page 12](#)

Politics of Education

With regard to curricular changes, politics shapes education in more immediate ways than education shapes politics. [page 10](#)

DISCUSSION

POSTSCRIPT

Illiberal Democracy in Sri Lanka

Authoritarian populism coupled with legitimising illiberal democracy at the hands of the Rajapaksa clan, pushed Sri Lanka to the present grave economic and humanitarian crises. **page 10**

Unconditional Cash Transfers

The Orunodoi scheme offers an unprecedented, even if nascent, recognition of women's UDCW; in reality, it conferred respect on women and gives them complete control to use the cash at their discretion. **page 14**

Amplified Disinformation

Social media platforms have taken shield of a skewed notion of free speech to amplify misinformation since there is an absence of statutory regulation. **page 25**

Misusing the Sedition Law

The judiciary must hold the executive accountable for sanctioning the sedition proceedings through the process of re-examination of each case to evaluate the political high-handedness. **page 43**

Dalit Cinematic Genre

The emerging Dalit cinematic genre sensitively serves both the political Dalit–Bahujan movement and the Dalit person as an abstract autonomous individual without social commitments. **page 48**

PERSPECTIVES

- Linking Public Action: Kerala's Challenges in Comparative Perspective in the Years of the Pandemic

SPECIAL ARTICLES

- Vulnerability Levels of Sewerage Workers in Vijayawada Municipal Corporation
- Political Stability in West Bengal: Prosperity or Decay?

CURRENT STATISTICS

Economic Stagnation and TMC Rule

The persistence of the Trinamool Congress regime hinges on the dependency of low-income people on minuscule resources in the absence of modern sector growth along with building an organisation of cadres to deliver the services among the networks. **page 121**

Democratic Partnership Governance

Unifying numerous actors and building links between the local and wider government, the economy, and popular actions, without resorting to centrist and authoritarian means, remain a challenge since the implementation of participatory planning in Kerala. **page 39**

Contradictions of GST

The Supreme Court judgment has laid bare the flawed design of the GST Council that, while paying lip service to cooperative federalism, has created the basis for union–state conflicts. **page 10**

Feminist Methodology

Bringing the subjective aspect within the ambit of a scientific inquiry enhances its objectivity and hence reflexivity emerges as a distinct feature of feminist research. **page 29**

Union Budget and Education

The budget has not outlined any plan or made specific allocations for addressing the pandemic-led losses in the education sector. **page 18**

DIGITAL STARS

24 • A NEW ERA OF INSTA(NT) FREEDOM

Social media has made stars out of many digital content creators. Becoming an influencer is now trendy, appealing and rewarding

26 • THE COUTURE QUEEN

Komal Pandey was studying to become a C.A., but found her calling in fashion blogging

30 • TECH TUNING

Devinder Maheshwari and Kapil Jindal started Beebom as a website on tech. With videos, they're now winning followers on Instagram

34 • A CLEAN SWEEP

Malhar Kalambe has been cleaning up beaches in Mumbai, using his social media reach to motivate youngsters and create awareness about environment

38 • HAVING THE LAST LAUGH

Dolly Singh has battled trolling and self-doubt to become one of the most popular digital content creators with her funny videos that also address social issues

42 • UNLOCKING POTENTIAL

Ankur Warikoo's 'real' and 'relatable' motivational posts and videos are meant to inspire people

46 • TOP 100 DIGITAL STARS

With their captivating, informative and engaging reels and videos, these content creators have amassed massive following on their social media platforms

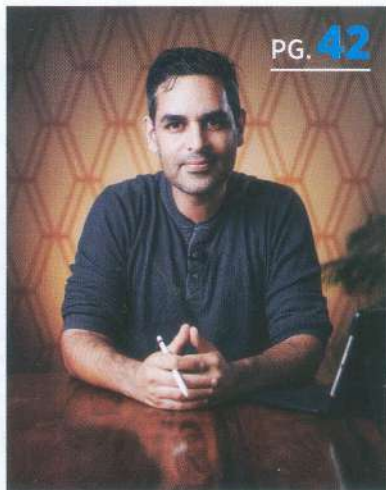

(Clockwise from left):
Komal Pandey,
Shlok Srivastava,
Neha Nagar and
Malhar Kalambe

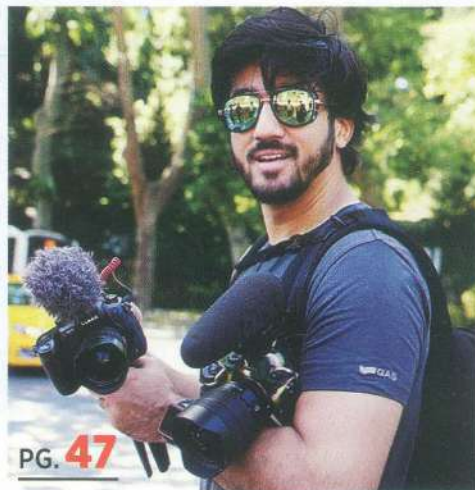

PG. 38

Dolly Singh is passionate about reinventing and coming up with new content

PG. 42

Ankur Warikoo says he does not have a game plan for his career

PG. 47

Nikhil Sharma, who creates content on travel and lifestyle, leads the list of Top 100 digital stars

72 • GOING GREEN, AND VIRAL

Using comic strips, videos, photos and reels, these eco-warriors are generating awareness about climate change and sustainable living

76 • NEVER TOO MERCH

Content creators are increasingly leveraging their loyal customer base to build personal labels and brands

PG. 76

Prajakta Koli, one of the most popular digital content creators in the country, launched her merchandise line in 2021

80 • THE UNCOMMON LANGUAGE

Audiences have a deeper connection with social media content in their native languages as it has a sense of familiarity

86 • NO CHILD'S PLAY

Gaming influencers are building audiences with engaging content, but could do with more social and commercial acceptance

PG. 80

Nisha Kidecha Naik, a garba-loving Gujarati and a professional choreographer, gets millions of views on her videos

PG. 86

Known as Techno Gamerz or Ujjwal Gamer, Ujjwal Chaurasia has 27.5 million subscribers

90 • NOT ALL FUN AND GAMES

From monetisation to mental health pressures of keeping up with changing trends and algorithms, digital influencers have their looming share of concerns

IN FOCUS

94 • CAN LIC BOUNCE BACK?

India's largest insurer wants to strengthen bancassurance and diversify its product mix. But changing the mindset is unlikely to happen soon

CAN INDIA BE THE I FOR APPLE?

MANUFACTURING SPECIAL

34 • AN I ON INDIA

China's growing supply chain constraints are giving Apple's India plant a big boost

38 • MR INDIA AND NETWORK PLAY

How Nokia stayed inconspicuous and emerged as India's biggest mobile network and telecom infrastructure player over the last decade

44 • OPTIMAL ADVANTAGE

Optimus is rebooting with a sharp focus to emerge as one of the top homegrown electronics manufacturing companies

48 • POWERING DEFENCE

Investments by Larsen & Toubro into smart technologies in defence and space manufacturing are starting to pay off

52 • TAKING CHARGE

Log9 Materials is venturing into local cell manufacturing as India relies heavily on imports for EV batteries and cells

IN FOCUS

54 • THE NECESSARY 5G GAMBLE

The 5G rollout is imminent by 2022-end, but monetising this will be tough

60 • CRYPTO CHAOS

Even as crypto markets melt down, Indian startups operating in the space are attracting funding

64 • CLEAN SWEEP

Genrobotics, a Kerala-based robotics startup, which began with machines to clean sewers, is growing in size and scope

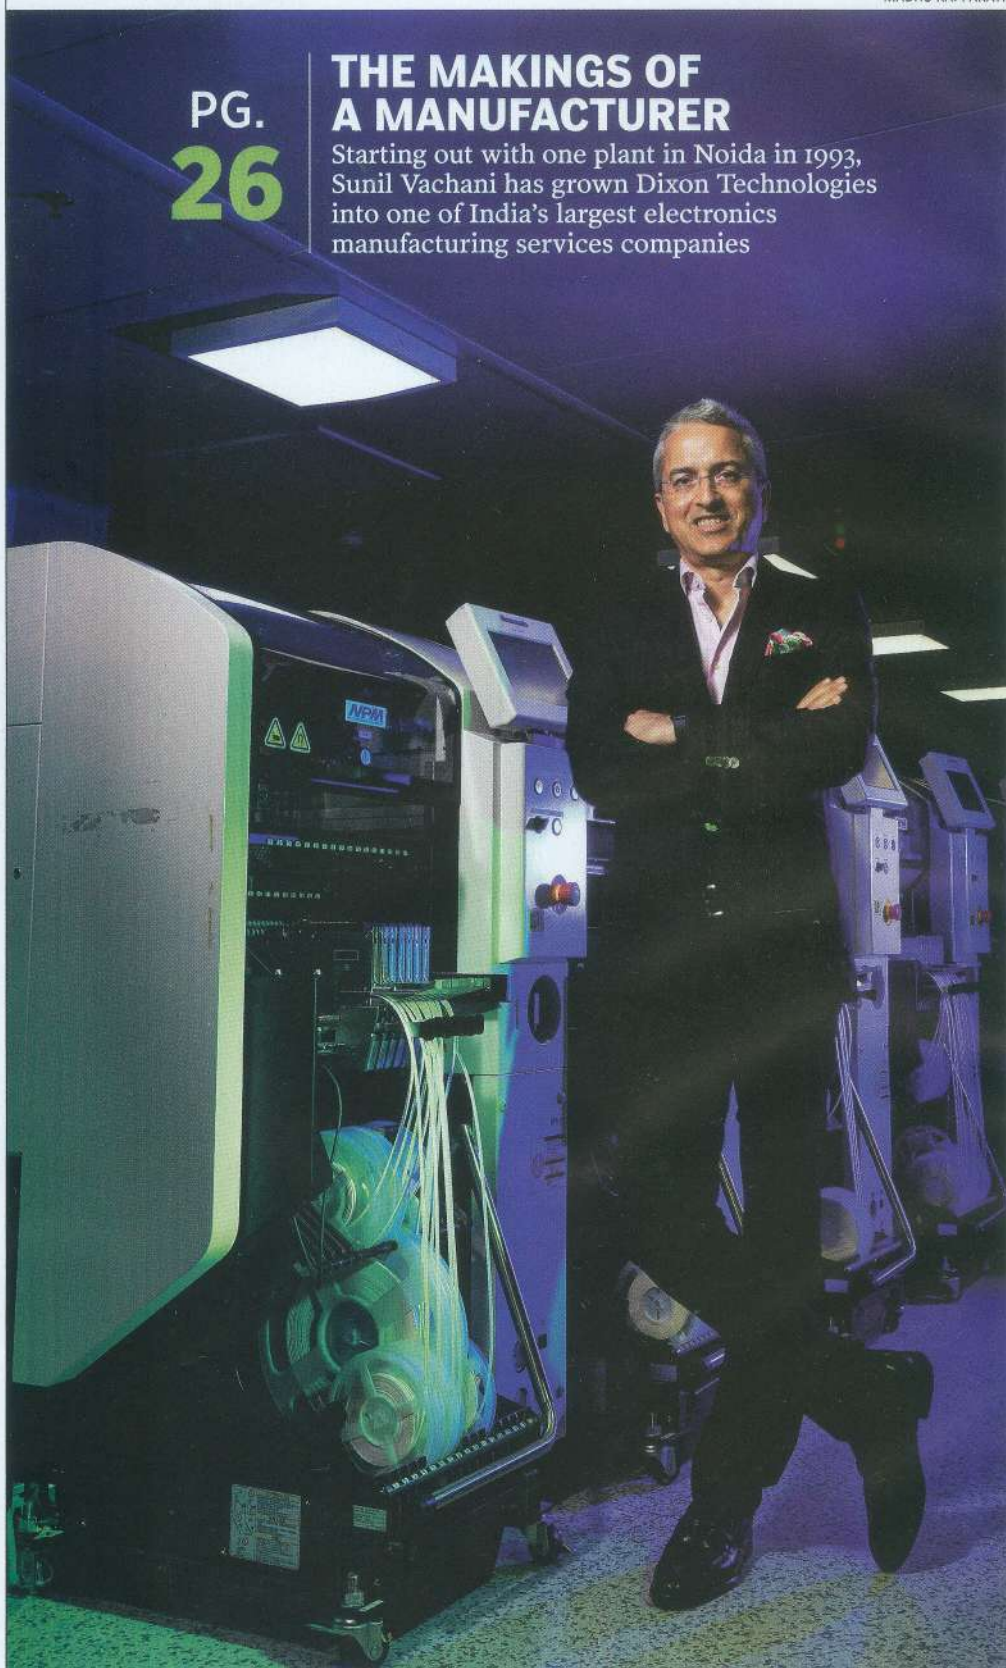

68 • A NEU EXPERIMENT

Super apps have never worked in India. Can Tata Neu change that?

PG.
26

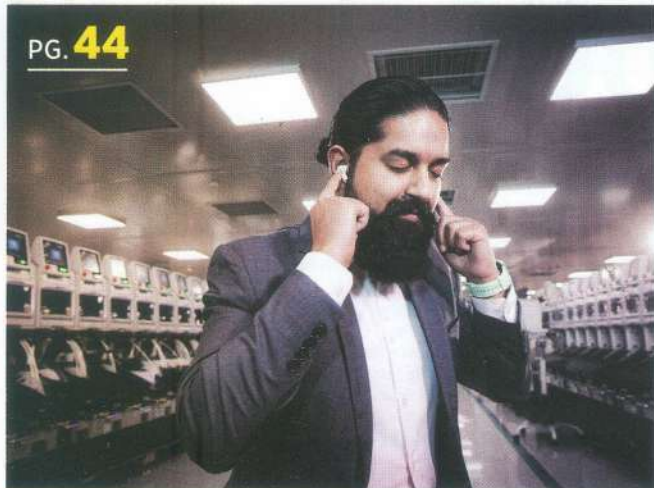

THE MAKINGS OF A MANUFACTURER

Starting out with one plant in Noida in 1993, Sunil Vachani has grown Dixon Technologies into one of India's largest electronics manufacturing services companies

Sunil Vachani, co-founder and chairman, Dixon Technologies, says he is a risk-averse entrepreneur

PG. 44

Nitesh Gupta, director, Optimus Electronics, says the company has made it big with wearable and hearable devices

PG. 48

JD Patil, whole-time director and senior executive vice president (defence and smart technologies) at L&T

73 • SQUARE PEG IN A ROUND HOLE

How LeadSquared focussed on India and barged into the coveted \$1 billion-valuation club

76 • BRIDGING THE GENDER PAY GAP

Companies can address income disparity by being more intentional about equity, and the government, through policies

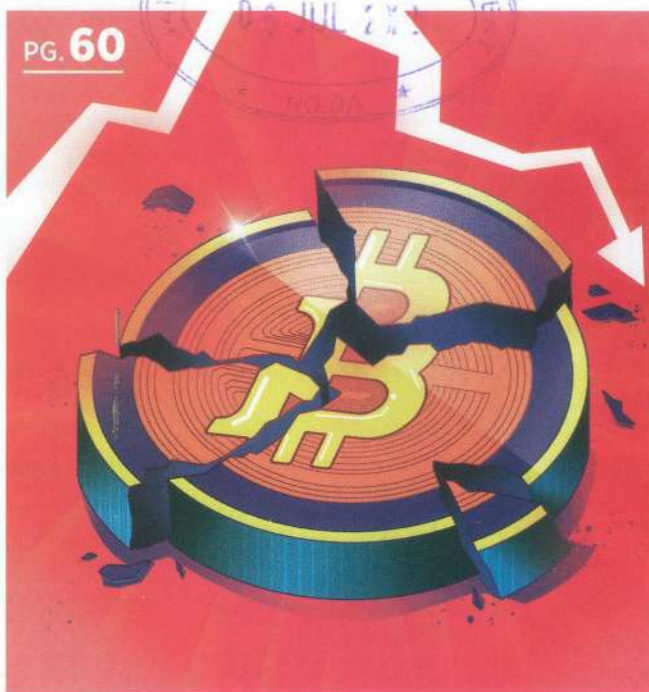

80 • TEEN TALK

Uable aims to become a virtual community for teenagers to find friends, internships, and to learn and shop

83 • A FIGHT FOR SURVIVAL

Layoffs galore, cheap money is done and profits are sexy again. But it's still a great time to start up in India, investors say

PG. 60

Despite the broad sell-off in digital assets, crypto and Web3 startups in India are still attracting funding

88 • THE LAST-MILE MEN

How ElasticRun Uberised logistics to enable businesses reach kirana stores in deep pockets of the hinterland

92 • FAN MOMENT

Manoj Meena and Sibabrata Das built Atomberg as a startup manufacturing energy-efficient fans. How far will home appliances take them?

96 • BIOCON'S BIOSIMILARS BET

Founder-chairperson Kiran Mazumdar-Shaw believes the company's biggest acquisition will be a game changer for the pharma firm

CORRECTIONS & CLARIFICATIONS

Issue dated July 1, 2022

On Page 26 in 'Live Learnings' — We erroneously mentioned Unacademy's operating revenue and losses for FY21 in lakhs instead of crores. The error is regretted.

The Castaways

CRYPTO WINTER

Crypto investors seem like castaways stranded on thin ice with the industry hit by a blizzard of inflation and rising interest rates, and valuations of major coins like Bitcoin shrinking to a third of their worth in the last six months. The bite has been cold for investors. What's ahead?

RNI NO. DELENG/2002/08292

Special Story

**Guide To
File Your ITR**

Contents

JULY 2022 ■ VOLUME 21 ■ ISSUE 7

Acc. No. JO 5467

Cover Story

12 Is It The Fag End Of The Crypto Party?

The carnage in the cryptocurrency market continues as major cryptos are falling at a rapid pace. The overall market capitalisation fell below \$1 trillion in June 2022 from \$3 trillion in November 2021. We explore what lies ahead for crypto investors?

18 Web Of Lies

For Gen Z and millennials, crypto investments could seem to be most profitable and the easiest of ways to make quick money, but that's where the entrapment begins, and Indians seem to be among the most vulnerable

SPECIAL STORY

24

DIY: GUIDE TO FILE YOUR ITR

The deadline for filing the income tax return is just round the corner. If you want to 'do it yourself', here is a step-by-step guide on how to go about filing your ITR on your own

34

INTERVIEW

A Balasubramanian, MD and CEO, Aditya Birla Sun Life AMC talks on whether cryptocurrencies would dent the popularity of mutual funds and how fixed-income instruments are becoming popular with investors as interest rates rise

42

SOFTEN THE BLOW?

Home loan prepayment can reduce the total interest outgo, but it may not make sense to always prepay. Know when and how much to prepay

46

RERA REMAINS TOOTHLESS

Many states are yet to establish Rera or even a web portal for homebuyers. Even in states where the authority is fully functional, the problem of non-implementation of rules persists

52

MY PLAN

The important thing about financial planning is to sync your investments with the time horizon of your goals and look for instruments that give inflation beating returns

Falling in Line

The National Investigation Agency's
loss of credibility

NILEENA MS

The National Investigation Agency was founded in 2008. In an environment of declining professional standards among the country's many investigative agencies, some of the NIA's early work was marked by a rare hard-nosed competence. Under the Narendra Modi government, however, the agency's early promise and political neutrality has withered away. India's "most professional investigative agency," formed to deal with terrorism alone, has morphed into one that is sent after inter-religious couples, human-rights lawyers and octogenarian priests. Its handling of the Bhima Koregaon case reveals many of the illegalities it once accused other agencies of. The story of the NIA illustrates how quickly professionalism can be sacrificed at the altar of political manoeuvring. The clearest demonstration of this is in the about-turns it made in the investigations into the Samjhauta and Malegaon bombings, where evidence pointed squarely towards Hindu extremists.
