Redefining Welfare?

State policies remain invested in a globally competitive growth model and dwell on welfare, but not work or wages, particularly in the informal economy. **page 53**

Dalit Political Presence in Punjab

Despite having the country's highest proportion of Scheduled Castes in its population, why is Dalit politics near absent in the state? **page 32**

New GDP Estimates

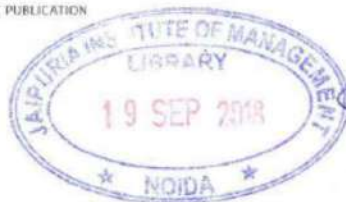

The new gross domestic product series, with base year 2011–12, shows a higher share of manufacturing sector and a faster growth rate over the old series, at variance with other macroeconomic correlates. **page 10**

Financial Aspects of Labour Code

An inclusive social security system for the unorganised sector workers is urgently needed, but the draft Labour Code on Social Security, 2018 has several inadequacies. **page 14**

Samir Amin (1931–2018)
